

SAHANACAMP @ ISCRAM VIETNAM

PREPAREDNESS

Volunteers Management

Site: <http://rmsdev.aidiq.com>

Login: user@example.com

Password: user

Background:

The core of most organizations are it's people. Managing them effectively maximises your ability to deploy them and retain them.

Note that this module has been translated into Vietnamese by the Red Cross.

Report on Hours

View summary reports and graphs.

1. Leave the Vulnerability module, if still inside it ('Back to RMS')
2. Open up the Volunteer report
3. Check what the gender ratio is for National Societies
4. Check what it is for Volunteer Roles

Select for Deployment

Select people in the neighbourhood of an Incident who have the relevant skills to respond.

1. Open the combined view of Staff & Volunteers.
 2. Filter to Ha Noi
 3. Filter to those with the CBHFA Training
 4. Send the person an email message
